

11. LOVE AND LIBERTY

A Little Ode To Robert Burns

By Dennis Tschirner

With deep respect and feelings of mine,
I bring to you the tales from AULD LANG SYNE.
They tell us about lovers, about Highlands and Wars,
About Liberty-Fighting Scotsmen,
-- The brave SONS OF MARS. --
These tales of the past you should never forget;
-- While everything's in turns! --
This music is MY service to the unique
ROBERT BURNS.
